

Updated: 8/2023

NATARIA T. JOSEPH, PH.D.
Associate Professor
Seaver College Social Sciences Division
Pepperdine University

24255 Pacific Coast Highway
Malibu, CA, 90263

Office Phone: (310) 506-4257
Email: nataria.joseph@pepperdine.edu

EDUCATION

9/2005 – 6/2011 University of California - Los Angeles; Los Angeles, CA
Graduate Major: Clinical Psychology
Minors: Health Psychology; Quantitative Measurement & Psychometrics
Degree: **Clinical Psychology, Ph.D.**, Granted June 2011
Graduate Advisor: Hector F. Myers, PhD
Clinical Psychology, M.A.: Granted December 2006

8/2001 - 12/2004 Louisiana State University; Baton Rouge, LA
Major: Psychology, *with college honors, summa cum laude*
Degree: **Psychology, B.S.;** Granted December 2004

POSTDOCTORAL TRAINING

8/2011 – 8/2013 Postdoctoral Fellow, University of Pittsburgh – Cardiovascular Behavioral
Medicine Research Training Program; Pittsburgh, PA
Mentors: Karen A. Matthews, PhD, Thomas W. Kamarck, PhD

10/2013 – 08/2015 Advanced Women’s Health Fellow, VA Health Services Research &
Development (HSR&D) Center for the Study of Healthcare Innovation,
Implementation, and Policy, VA Greater Los Angeles Healthcare System
Mentors: Donna L. Washington, MD, Bevanne Bean-Mayberry, MD

PROFESSIONAL LICENSURE

3/2023 – Present Licensed Psychologist, California Board of Psychology

EMPLOYMENT

8/2015 – Present Pepperdine University; Malibu, CA
Courses: Health Psychology (Capstone Course), Research Methods, Adult
Development & Aging, Introduction to Psychology, Supervised Field Work,
Research in Psychology, Independent Research in Psychology, Directed
Studies

8/2023 – Present Associate Professor III of Psychology
8/2021 – 8/2023 Associate Professor II of Psychology
Blanche E. Seaver Professor of Social Science (2022-2027)
8/2019 – 8/2021 Associate Professor I of Psychology
8/2017 – 7/2019 Assistant Professor III of Psychology
Seaver Fellow in Social Science (2017-2018)
8/2015 – 7/2017 Assistant Professor II of Psychology

RESEARCH GRANTS

Co-Principal Investigator, with Dr. Blanco; Cross-School Collaborative Research Award. Pepperdine University Provost Office.

Project Title: “Adapting and Piloting a Financial Intervention Program: Can a Financial Intervention Program Improve Financial, Psychological, and Biobehavioral Health?”

Award Period: 08/2023-08/2024

Principal Investigator; Academic Research Enhancement Award. National Institutes of Health (NIH).

Project Title: “A New Approach to Understanding Daily Life Mechanisms Explaining the Role of Social Status Stressors in Blood Pressure Disparities”

Award Period: 09/2018 – 06/2023

Consultant; R01 Award to PI Samuele Zilioli. National Institutes of Health (NIH).

Project Title: “Stress, Racism, and Cardiovascular Risk among Urban African American Adults: A Multilevel, Mixed Methods Approach”

Award Period: 04/2021-03/2026

Co-Principal Investigator, with undergraduate trainees. Pepperdine University AYURI grant. “Student-Faculty Research on the Blood Pressure Impacts of Subjective Social Status amongst Emerging Adults and the Impacts of Socioeconomic Stressors on Stress and Substance Use”

Co-Principal Investigator, with Drs. Amaro and de los Santos. Pepperdine University CDUIR Grant. “Health Outcomes of Mommy Exchanges on Social Media (H.O.M.E.S.): Part 3”

Co-Principal Investigator (multiple time award), with undergraduate trainees. Pepperdine University AYURI grant. “Student-Faculty Research in the Emotional and Physiological Impacts of Social Media Interactions amongst First-time Mothers”

Co-Principal Investigator, with Drs. MacRae, and Trammell. Seaver Research Council Grant (SRC). “Exercise and cognition in young adults: Does exercise type and heart rate response matter?”

Co-Principal Investigator, with Drs. Amaro and de los Santos. Pepperdine University CDUIR Grant. “Health Outcomes of Mommy Exchanges on Social Media (H.O.M.E.S.): Part 2”

Co-Principal Investigator, with undergraduate trainee. Pepperdine University AYURI Grant. “Student-Faculty Health Psychology Research in Daily Life Psychosocial Factors, Blood Pressure, and Health Behaviors”

Co-Principal Investigator, with Drs. Amaro and de los Santos. Pepperdine University CDUIR Grant. “Health Impact of Mommy Exchanges in Social Media (H.O.M.E.S.) study, Part I: Emotional Communication in "Mommy" Social Media Interactions”

Principal Investigator, Locally Initiated Project Funding, VA Health Services Research & Development (HSR&D) Center for the Study of Healthcare Innovation, Implementation, and Policy VA Greater Los Angeles Healthcare System. “Patient perspective on a cardiovascular risk tools and template implementation effort”

Co-Principal Investigator, with Dr. Peterson; Center on Race & Social Problems Grant, University of Pittsburgh. “Investigating the impact of African Americans’ experiences of racial discrimination on ambulatory blood pressure and health risk behaviors using ecological momentary assessment”

Award Recipient, National Institutes of Health (NIH) Health Disparities Loan Repayment Program, National Institute on Minority Health and Health Disparities (NIMHD)

Principal Investigator, Society for the Psychological Study of Social Issues (SPSSI) Grant-in-Aid

Principal Investigator, UCLA Institute of American Cultures (IAC) Research Grant

Principal Investigator, Excellence in Research Award, UCLA Psychology Department

OTHER GRANTS

Awardee, Teaching Stipend, Resilience-Informed Skills Education (RISE) Program (2022)

Awardee, Pedagogy Enhancement Grant, Pepperdine Center for Teaching Excellence (2019)
Awardee, Inclusion Matters Faculty Collaboration Grant, Seaver Student Success Center (2018)
